

LCCU Organizational Changes for 2009

The following changes were discussed at the Board meeting in August and at the September regular meeting. They were voted on at the October meeting and added to at the November meeting.

1. Discontinue coffee and donuts, with some exceptions. At the December meeting, volunteers will make coffee and members are invited to bring snacks or finger foods.
2. Hold one meeting per month with a format of group discussions and short presentations.
3. We will call ourselves a special interest group, and eliminate membership, dues, non-profit status and by-laws.
4. Annual dues will be replaced by a \$2 fee at the door, starting on January 1, 2010. Raffle proceeds will go to the winner except for the difference between the door fee total and the \$50/mo. rent and internet charge for the Senior Center. The Senior Center will be paid by check. The post office box will be closed.
5. The e-mail list on the website and the sign-in sheets will be maintained, and anyone who wishes may be on these lists.
6. The officers will continue to be President, Vice President, Treasurer, Secretary and System Administrator. We've added Publicity Chairman and assistant system administrators to spread out the duties and provide backup.
7. We will move our website to a free host by next July, when the fee for our current host, www.homestead.com, expires.
8. Meeting minutes will be e-mailed to members.
